

TEST BATTERIES (SPECIMEN SET)

It is requested that access to the documents included in this book be limited to those persons properly authorized by virtue of their official capacity and/or professional qualifications. Because of the very nature of the testing operation, information pertaining to the contents and special features of the tests must be restricted to individuals directly concerned with their use. Members of the Testing and Evaluation Branch, Personnel Office, are available to assist in providing a proper understanding of the material included in this book.
